

## Thank you...

Bro. Vernon Hughes

Thanks for trusting us with your most cherished possession, your children, for a week of camp this summer. I'm so excited about what God is going to do in the FBCZ Children's Ministry through this week of camp. I remember when I was a youth and the impact camp had, not only on my walk with God, but how it brought our group together at the same time. Now I watch as Andrew, our oldest, comes home from camp each year telling how camp brought the whole group together and I'm excited to watch how God unfolds that for our children too. On a personal note, I'm looking forward to camp, because that's where I started in ministry and it will always hold a place in my heart. Camp will be a place for our children to have fun, grow and push themselves further than they thought they could go, but most importantly grow in their understanding of God and his love for them.
