C.J. HAM FULLBACK

His moments of individual glory may be sparse, just five touchdowns in six seasons, but those who know football know the true value of the two-time captain, freshly signed to a two-year extension. The Duluth native went to little Augustana University, undrafted and signed after a tryout. It's easy to think of him as overlooked, but look out — he's a disrupter to defenses and a force on special teams.
