STORAGE SOLUTIONS THAT KEEPS EVERYTHING IN ITS PLACE.

OUR STORY

With over 70+ years experience serving industrial leaders, Platt & LaBonia Company LLC is proud to offer our CRAFTLINE® Storage Systems providing quality modular storage products and tool boxes. CRAFTLINE® Storage Systems provide innovative storage solutions for industrial plants, professional mechanics, craftsmen, hobbyists, and DIY enthusiasts.

CRAFTLINE® Storage Systems are based on three primary organizational units: Service Racks, Bin Cabinets and Storage Cabinets. Constructed with stacking holes, coordinating bases and a standard unit dimension of 20.5"W x 12.5"D x 15.0"H, CRAFTLINE'S® modular series allows you to create a custom workstation ideal for your specific application.

The modular series can be enhanced by coordinating CRAFTLINE® drawer systems, bin cabinets, utility cabinets and toolboxes.

CRAFTLINE® products are manufactured with heavy gauge steel, high-impact polymers and durable powder coated paint finishes, engineered to withstand rugged everyday use.

CRAFTLINE'S® innovative storage products are the answer to your organizational needs.

Service Tray Rack

SERVICE TRAY RACKS

- Solid Steel Drawer Bottom For Stability
- Each Drawer Supports 100 lbs Per Drawer
- Top And Bottom Mounting Holes For Stacking
- Ball Bearing Slides Are Smooth And Quiet
- Drawers Snap Into Closed Position
- Locking Arms Available To Secure Contents

Service Tray Racks are robust storage solutions designed for holding Craftline Compartment Boxes. (*Compartment boxes sold separately*). Each cabinet is 12½" deep and is compatible with most Craftline modular products. These heavy-duty racks come with ball bearing drawer slides that can support up to 100 lbs. per drawer, ensuring smooth and quiet op-

eration. The solid steel drawer bottoms provide additional support and stability, while top and bottom mounting holes facilitate stacking, complete with included hardware. Drawers fully extend for easy access to compartment boxes, which can be conveniently removed for transport, and locking arms are available to secure the contents when needed.

COMPARTMENT BOXES

- Finished in a durable Gray powder coat
- Individually boxed
- Box Measures 18" W x 12" D x 3" H
- Multiple insert layouts available

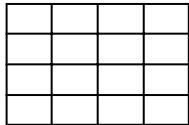

Keep all your small parts together with Craftline®'s durable steel storage trays. They are the perfect shop storage container. Store small parts, fasteners, connectors, fittings or just about anything in the plastic scoop compartments. The steel outer shell is made from prime cold rolled steel. Full length heavy duty piano hinge provides rigidity and worry free service. The center mounted pull down catch

keeps cover tightly closed as well as preventing part migration and the carry handle with thumb grip allows for comfort and easy transport. Available in 7 different compartment tray configurations and can be used in all Craftline® Service Tray Storage Racks. Label sheet included in each box to note tray contents and compartment location. Individually cake boxed, fill, address and ship.
