Terms and Conditions:

Prices listed in this catalog apply to both royalty and non-royalty schools. After an initial order has been processed a mock-up proof will be sent to both the customer and licensing. Customers should respond with approval or revision requests no later than 7 days upon receipt of initial proof in order to maintain scheduled production and insure prompt turnaround times. After a design has been approved and sent to production changes can no longer be made. In the event no response is given by the customer for the proof then production of the order will proceed after receiving licensing approval only. Proofs for reorders will be sent on request only.

All art is subject to change due to licensing approval, this includes but is not limited to team numbers, verbiage, and color combinations. Little King reserves the right to refuse design requests that are not feasible to produce or that would result in an unacceptable end product that would be rejected by the customer.

Web images provided only if specifically requested when placing order and can only be provided after garments have arrived completed from production and before they have been shipped. Web images not requested at the time of placing orders are subject to availability of garments in stock and are provided for an additional fee of \$10.00 per image. If an item is found to be defective the customer has 14 days from receipt to contact Little King MFG for returns.

Corporate Social Responsibility

Little King has been in the childrens apparel industry since 1969. We understand the importance of workers' rights. We are a long term member of the Fair Labor Association. We conduct independent audits and Little King has a long term relationship with our over seas factories. Personal relationships with the factory owners is very important to Little King. The working conditions and well-being of all employees is very important. We must all go beyond the Traditional Code of Conduct to improve the workers right around the world.
