### Start Building Your Portfolio

You're three quick steps from being listed on Coroflot: [upload a project](#), [add an external link](#), and [upload an avatar](#). Get started with the cards below.

#### 1. Create a draft project

*Required*

After uploading images to your draft project, add a few descriptive details and publish your draft project.

[Start a project](#)

#### 2. Add External Links

*Required*

Add links to your personal portfolio site, your Instagram, Twitter, LinkedIn etc.

Websites & Social Networks

Please select up to 5

[Add](#)

#### 3. Upload your avatar

*Required*

Although a good image of your self is preferred, you can also use your personal logo or a cool render if that is more your thing!

Avatar

440px x 440px min
