## Taffy Highlights:

Sweet Candy Company uses time-tested recipes that are kosher and gluten-free. They also consistently pass the world's highest standard for food safety, the BRC Global Standard for Food Safety. There is a reason their candy is so popular - they focus on premium quality and the best flavors. That is why Sweet's customers come back to them for more sweet treats again and again.

- Sweet's taffy stands apart because it is whipped, not pulled, thus giving it a lighter, softer texture.
- Individually wrapped candy.
- Product is always fresh because it is manufactured domestically.
- Sweet also consistently pass the world's highest standard for food safety, the BRC Global Standard for Food Safety.
