Support Your Patrons Like **Never Before**

With the Ultimate Data Resource for Libraries

Enable access to vast knowledge at your library

Empower patrons to explore, learn, and grow.

Enrich and expand your library's digital resources.

Offer a World of Data with Reference Solutions

Join the community of 11,000+ forward-thinking libraries that use Reference Solutions to power their research and reference tools and provide access to:

Extensive Data Collections

Explore 24+ million business listings and 262+ million consumer files.

Highly Accurate & Detailed Data

Our researchers call businesses every day to verify and update details.

User-Friendly Interface

Spend more time helping patrons instead of fumbling through a poorly designed platform.

Exceptional Customer Service

Contact us to talk with a real person who cares about your library and patrons.

Resource Library

Encourage usage with customizable flyers, how-to videos, & data updates.
