

## You can help put the last wall up, furnish the last room...

Give today to help complete the expansion by April 30 for families who are praying for a place to call home.

HELP FINISH WHAT GOD STARTED!

**GIVE NOW!**

# A mother's plea. A child's cry.

YOU CAN BE THEIR ANSWER!  
HELP BRING THEM OFF THE  
STREETS AND INTO SAFETY.

*"I appreciate having a bed and a warm, safe place to stay. It's given me energy and the ability to live. My son needs me to be successful. I want to change my life for him."* – Marquita

## "I feel safe here."

For a mother with nowhere to go, Lydia House is an answered prayer – a place of refuge, restoration and renewed faith.

But for every woman and child we welcome, another family waits – sleeping in a car, on a friend's couch or somewhere unsafe.

With your help, the Lydia House expansion will soon **offer twice as much space** for healing and a future filled with God's love and promise.

↖ YOU CAN WELCOME MORE MOMS & KIDS!

**Tonight, a mother lies awake, afraid to close her eyes... fearing for her child's safety.**

**45%** of homeless people are women and children

Nearly 45% of the homeless population in our community are women and children.

Some of these vulnerable neighbors are fleeing abuse. Others are trapped in cycles of poverty or addiction. **All of them need a safe place to sleep.**

Our Lydia House was built to accommodate 50 beds for mothers and children – not nearly enough to meet this growing need.

**Imagine a 3-story sanctuary that could more than double Lydia House capacity. How it would change the course of homelessness for women and children in the Greater Long Beach area.**

## You don't have to imagine: The Lydia House expansion is already in progress!

*WE HOPE TO WELCOME MORE WOMEN AND CHILDREN BY SUMMER!*

The expanded Lydia House will have **60 additional beds** so no woman or child is turned away again.

It will also include:

- **Multipurpose room** for dining, fellowship and worship
- **Gym** to promote physical and mental wellness
- **Outdoor patio & rooftop deck** for peace, reflection and connection with God

Here, **more lives will be rebuilt** from the inside out – through counseling, life-skills classes and Christ-centered programs.

Your gift today can help us complete the final phase of the Lydia House expansion by April 30 – providing **more women and children** in our community a path to stability, hope and new life!

*LEAVE A LEGACY  
WITH A SPECIAL GIFT!*
