

“A heart attack tried to finish me, but I’m just getting started.”

Caring for the  
Most Hearts in  
Central Florida

### AdventHealth’s cardiac experts put Leith back in the race.

Leith collapsed from a heart attack minutes after crossing the finish line of a marathon. The cardiovascular experts at AdventHealth saved his life, and now he’s up and running again. With Central Florida’s most advanced heart care network, we’re always nearby to ensure you’re ready for the road ahead.
