

Curious About AI but Not Sure Where to Start?

If you've been hearing about AI and wondering what it's all about or how it could help with everyday tasks, writing, or even your business, **I'm here to walk you through it step-by-step. You don't have to figure it out alone.**

This training is an easy, **supportive introduction to AI using ChatGPT.**
No tech background needed.

1:1 Private On-line Sessions

Go at your own pace. Get support that adapts to you. Step-by-step training based on your real needs. Ask anything.

Small Group On-line Classes

Designed for professionals and individuals who want personal guidance in a small group setting.
(5 students max)

WHAT STUDENTS ARE SAYING.

*"Working with Ottie improved my confidence in using AI.
Before, I wasn't as confident as I am now, but now I feel like a pro."
