

# Don't "Leaf" Safety to chance!

## OH DEER!

You are 3.5 times  
more likely to hit  
an animal in  
November

Do you have anything  
to fall back on?

Always use 3 points of contact  
when entering and exiting the truck

## *ADJUST your EYES*

We lose 1 to 2 minutes of daylight daily  
after Daylight Savings Time Change

You really **AUTUMN** know,  
fallen leaves can cause slippery roads and obscure traffic lines
