

A white semi-truck is driving across a steel truss bridge. The background features a large, semi-transparent American flag with stars and stripes. The truck is viewed from a front-three-quarter angle. The license plate is '3AZ004' and the number '61303' is visible on the fender.

HEROS *of the* HIGHWAY

We salute YOU, for your hard work,
long hours and time spent away
from loved ones so we can have
food on our tables.

America runs on trucking, and
Tyson loves our truckers.

Stay safe out there!!
