**who she is:**

As a **DIRECTOR** in a leading production Studio, our **First Best Customer** is creative in everything she does. A story teller at heart she brings her passion into all aspects of her life. Setting the tone for each project and traveling the globe to scout the perfect locations, she relies on her wardrobe to keep her comfortable no matter where she is. With a closet full of momentos, she's mastered the mix of patterns and colors, but that doesn't mean her style isn't timeless. A free spirit, she exudes adventure, dressing for spontaneous road trips, bike rides and whatever may come next.

**CASUAL** denim friendly silhouettes with built in cushioning that she can wear from weekday to weekend.

**her motto:**

"casually chic"
