Jesuit Spiritual Center

Thank you for your gift to the Jesuit Spiritual Center.

With your contribution, we're able to provide retreats for men and women recovering from addiction, for veterans working through post-traumatic stress disorder, for children attending schools in low-income areas, and for those among us who from time to time need a helping hand with retreat fees.

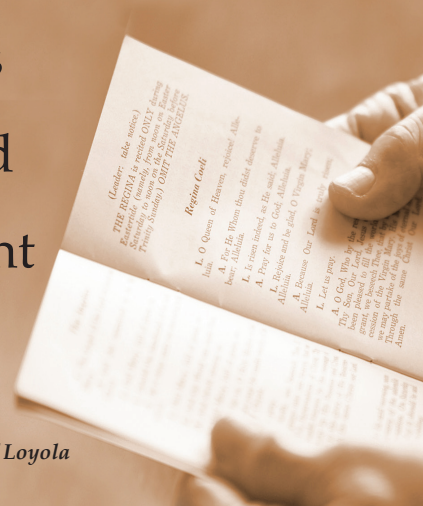

JSC is here for everyone; your support makes it possible.

Remember your Retreat Manual of The Men of Milford. Just recently during a visit with my ninety-three year wise father I was sharing my experiences of serving as Executive Director of the Jesuit Spiritual Center of Milford. It is with a sense of deep gratitude that he began telling me stories of how his Milford retreat had such a strong impact on his life. Then we found his retreat prayer manual. His stories led me to peruse through the Men of Milford archives. My journey through the generations of retreat photos led me to an amazing finding. As I flipped through the archives I found pictures of my dad, two uncles, brother and cousin in the group photos. Then I got even more intrigued and interested in searching all those names of Men of Milford who I might know.

Throughout my search I longed to get to know the stories of all those in the photos. What drew you here year after year? How was your life transformed because of this time focused on your spiritual journey? How were you blessed? I can only imagine the impact that these prayer times had on your life and your relationships.

Over 12,000 people come to the Jesuit Spiritual Center each year. Lives continue to be transformed. We continue to discern how

we might continue to grow and expand our mission so that all walks of life and people have the opportunity to benefit from what we have to offer.

Currently we are planning a conference retreat for veterans suffering from Post-Traumatic Stress Syndrome. We want these men and women to be our guests. We, too, want to offer spiritual experiences for those who ordinarily do not have the resources to invest in a personal or conference retreat. Looming before us is how do we make this happen? Would the Men of Milford help us make this possible?

This Lenten Season I come to each of you inviting you to make a financial gift to the Jesuit Spiritual Center so we can expand our spiritual offerings for those seeking to bask in the grace of our Loving God. Reflect on your own experiences and I'm sure you can identify

with a time that you came away feeling healed, strengthened and spiritually renewed. Help us increase these opportunities for others.

I invite you to come visit us at the Jesuit Spiritual Center. Take a day or some time to search our archives and find your photo. What cherished memories!

My thanks and prayers for prayerfully considering a financial gift to the Jesuit Spiritual Center. Your gift will help support our retreat programs.

May our loving God bless you, your family and loved ones abundantly!
