### 1886 Benz Patent-Motorwagen (Replica)

This past weekend, our team showcased a replica 1886 Benz Patent-Motorwagen and 1885 Daimler Reitwagen (1886 Replica) at the Old Car Festival, powered by Hagerty. We know every #car has a story, and while the cars we displayed are indeed old, they continued to share their stories with event attendees.

Enjoy this clip of 1984 AHF Inductee Carl Benz's Patent-Motorwagen getting some maintenance and taking our president, Sarah Cook, for a ride around the parking lot.
