**SOUTHEAST
REGION**

Lewis Marine Leadership

The NEW Lewis Marine Supply expanded in 2019 with acquisitions of engine parts distribution, retail, and wholesale distribution networks that cover the Southeast USA with everyday shipments nationally and internationally.

**A Heritage of Marine Industry
Service Since 1956**

» Customer - Centric Experience

Lewis Marine Supply was established in 1956 by Jim and Alice Lewis. They believed that exceptional customer service and personal relationships with customers and strategic vendor partners would set Lewis Marine apart from others. This dedication to the customer has been the backbone of our success and continues forward today in everything we do.

Lewis Marine ownership and management is focused on every element of solid business success including having the most knowledgeable, motivated team members, extensive inventory, and investments in proven technologies to build on our legacy motto:

“For Service Supreme, Call Lewis Marine”

» About Us

Today, Lewis Marine Supply is building on this solid distribution network and leadership with the knowledge reputation, and experience to deliver the highest quality products & superior service directly to marine business professionals, OEM Yacht builders, boat yards, and marinas throughout the USA and Internationally.

For over 65 years, marine professionals have come to depend on Lewis Marine Supply for leadership in the marine supply industry. Having the right product at the right time, delivered accurately, with the urgency OEM boat builders, boat yards, service professionals, and boat owners expect requires forward-thinking leadership. Lewis Marine embodies that spirit.

We invite all participants in the marine industry from manufacturers to pro installers to consumers to be a part of our team as we chart a course to continued growth and success.
