Welcome [FNAME]
TeleMed+ To Make Life Just A Little Bit Easier

Congrats! You're well on your way with TeleMed+, which includes top-notch Telemedicine and Travel Advisors to improve your everyday lifestyle and travel adventures. With Telemedicine, you're able to receive medical care via phone or video right in the comfort of your own home or while on vacation. Just roll out of bed in your jammies for your free consultation, diagnosis and prescription if you need meds. Then snuggle right back under the covers with peace of mind (and maybe a hot cup of tea) because we've got you covered with treatment from U.S. board-certified and state-licensed doctors. Get all the details right [here](#).

But wait! The second part of this win-win is the convenience of having access to our full-service travel agency Rovia, with expert Travel Advisors for all your travel needs. Business conference? We got you. The perfect weekend getaway? We can handle that too and it's our pleasure 😊. We're so confident about making your trip SO awesome that you'll want a few selfies with us. Call us now at 1-800-961-4748 or visit us [here](#) and let's make it happen.
