Sankalp Central Park, Mysuru

A scenic forest landscape with a stream, an elephant, and a person taking a photo. The scene is bathed in warm, golden light filtering through the trees. In the foreground, a person wearing a hat and a backpack is seen from behind, holding a camera up to their eye. In the middle ground, an elephant is wading through the stream, and a spotted dog is on the rocky bank. The background is a dense forest of tall trees.
