ATHLETICS AT MORGANTOWN HIGH SCHOOL

From its earliest beginnings in 1927 as a school, MHS exemplified not only the best traditions of academic excellence but also pride in the rich athletic traditions that were to come. Beginning with football, wrestling, and basketball squads, the Red and Blue uniforms would, within the century, be worn by young men and women who were members of some 20 separate teams.

The earliest teams included, in addition to those above, youth who competed in track, cross-country, and baseball. Soon, the sports of swimming, softball, golf, tennis, volleyball, soccer, and lacrosse would be added.

Athletics has a long winning tradition at our school, with teams capturing over 25 state titles, in track, golf, football, boys' soccer, girls' basketball, boys' tennis, and boys' and girls' cross-country.

Pony Lewis Field was named after Clarence "Pony" Lewis, honored three consecutive seasons as All-State in football. He led the 1927 team to an undefeated season and a state championship.

In 1991, Project MoHawk, a community effort involving both Morgantown and University High Schools, provided a new all-weather playing surface on the field (one of only a handful of high schools to boast of such an artificial turf). New dressing and weight rooms, a new scoreboard, press box, and concession stand were constructed.

Beginning in 2011, improvements have included a new playing surface, lighting, concessions stand, improved home seating, a state-of-the-art weight room, the John Rock-is, Jr. and Johnny Hardesty Student-Athlete Facility building, and the Jake Mullett Press Box. They are a result of the on-going athletic facilities project funding from the Hazel Ruby McQuain Charitable Trust, the Monongalia County Board of Education, the MHS Foundation, and contributions from thousands of MHS community supporters.

Morgantown High competes at the state level in the AAA division (the AAAA division in basketball) and is a proud member of both the Two Rivers Athletic Conference and the Ohio Valley Athletic Conference. The Mohigans offer athletic teams in 22 different sports.

HONORING OUR FINEST...

In 2006, a group of interested faculty, alumni, and local citizens met to consider the idea of establishing a Morgantown High School Athletic Hall of Fame.

Believing that athletics plays an integral role in the pride and vitality of the high school setting, members of the committee sought and selected the first group of ten individuals who were inducted into the Hall of Fame.

What you have in your hands is a souvenir booklet, honoring our latest group of ten inductees. In these pages, you will see familiar faces of people who have brought unique athletic honors to our school. In addition, in the latter pages of the booklet, you will see thumbnail sketches of everyone we have honored. Next year and for many years to come, additional names will be enshrined in our MHS Athletic Hall of Fame.

Nominations may come from anyone, as we seek to recognize outstanding athletes, dedicated coaches, athletic directors, administrators, and auxiliary personnel who have brought positive recognition to themselves and to MHS.

Turn the page and meet our 2022 class!

GEREMY RODAMER

Admitted for his grit and tenacity, Geremy Rodamer left his mark at MHS with an abundance of accolades. This dual-sport athlete shined everywhere he competed, lettering in basketball, track, and football during high school; however, Geremy cemented his legacy under the lights at Pony Lewis Field.

As a running back, Geremy amassed an astounding 3,889 rushing yards and scored a total of 110 touchdowns during his career as a Mohigan. Geremy's junior season culminated with a Second Team All-State selection. As a senior, the 11-time Dominion Post Player of the Week was named First Team All-State and the runner-up for the Kennedy Award, which is annually given to the top football player in the state of West Virginia. Geremy's fearless leadership helped the 2002 Mohigans finish their season with a perfect 14-0 record and a state title. Consequently, Geremy's record-shattering four interceptions in the championship game earned him MVP honors. Geremy also broke the record for the longest fumble recovery returned for a touchdown in Super Six history. To put a cap on that magical season, Prep Magazine named MHS to their 2002 Top-50 best high school teams in the country. Following high school, Geremy took his talents to Huntington, earning a scholarship to Marshall University to play football for the Thundering Herd. Majoring in sports management, Geremy found more success as a defender, becoming a 3-year letterman and a 2-year starter on defense. He finished his career at Marshall with 54 tackles and 1 interception. In addition to his performance between the hashes, Geremy also earned a place on the Dean's list twice while at Marshall.

Geremy is now a director of business development residing in Dallas, Texas alongside his wife, Laura; his daughter, Gianna; his stepson, Alec; and his son, Amadeus. Looking back on his career, Geremy's best memories revolve around bonding with his friends and teammates. Finally, Geremy would like to add that he owes everything in his life to Jesus Christ, for without Him, none of this success would be possible.

DAN ERENRICH

Dan Erenrich devoted 41 years to Morgantown High School in multiple capacities, first serving as a math teacher and later taking the role as the math department chair and teacher for 27 years. Dan's services, however, spanned outside academics as he also held the title of Student Council Sponsor for 13 years and Junior Class Sponsor for 26 years until his eventual retirement. Dan thoroughly enjoyed bringing Homecoming to MHS each year.

Dan forever shares a bond to MHS athletics as well, serving as the assistant basketball coach for 10 years and the assistant baseball coach for 12 years. Prior to beginning his 14 year tenure as athletic director, he served as the assistant athletic director for 15 years and in addition took on coaching the boys and girls cross country teams for two years, guiding the girls to a state runner-up season in 2001 and a state championship in 2002. Teaching, mentoring, and coaching all add up to a fabulous career, but Dan also adds "administration" to his long list of roles at MHS. During his years as Athletic Director, Dan guided MHS into the Ohio Valley Athletic Conference and was instrumental in the renovations of Pony Lewis Field. Some of these facilities upgrades include replacing the turf on the playing surface, bringing in new home bleachers, and installing a new video scoreboard. Later, Dan led the charge for a new press box and field house, and he even oversaw the initial stages of construction for a new weight room. In addition, Dan helped establish the MHS Athletic Hall of Fame. Outside of MHS, Dan served as President of the West Virginia Athletic Directors Association and as a member of the WVSSAC Board of Directors.

Today, Dan is proud to represent Spruce Street United Methodist Church where he has been Lay Leader, a Sunday school teacher, and a chairman of various church committees. Dan also enjoys directing the Mundy's Run/Walk for the Monongalia County Special Olympics. A devoted family man, he and his wife Connie, whom he affectionately refers to as a "true saint," are blessed with three daughters and five grandchildren who light up their lives. Dan also holds immense admiration from his friends and former colleagues at MHS who are all truly grateful for his relentless dedication to the Mohigan family.
