

Introducing comprehensive roller-delayed firearm support for law enforcement and defense agencies.

ZENITH FIREARMS GUNSMITHING SERVICES

Zenith Firearms in Afton, Virginia now offers full-service gunsmithing and comprehensive support for your MP5s and other roller-delayed weapons. From periodic maintenance and tuneups to minor repairs and enhancements, barrel replacements, complete overhauls, and custom work, Zenith can make even your most worn-out roller-delayed blowback firearms function as they once did, and modernize them for the 21st century.
