## Employment/Experience

### **Tyre Fitter & Customer Service Representative – Autopro Tyrepower – Exmouth WA**

January 2024 – January 2025

- Fitting & balancing a range of tyres, including passenger, tubed, 4WD, forklift, split rim, & more
- Fitting second hand tyres and performing puncture repairs
- Assessing tyre condition, providing quotes & taking payment, and looking after customers; including giving a rough timeframe for work carried out, carrying out work efficiently & safely, and phone-calling customers when their job is done
- Taking tyre deliveries and checking stock against invoices
- Procurement of vehicle parts for customers & consumables for tyre workshop
- Fitting batteries, wiper blades, and wheel bearing & hub fitment on trailers
- Working fast & efficiently within a small team of 4 staff, & communicating effectively
- Helping customers find items they are looking for in the Autopro store, and recommending the right items to help solve their problems
- Restocking items including oil, filters, batteries, auto accessories, tools, and car products
- Till operation, shop cleaning, tool maintenance, & general tidying
- Using my initiative to keep productive during quieter times

### **Car Detailer – Ningaloo Car & Boat Hire – Exmouth WA**

March 2023 – September 2023

- Detailing & maintenance of hire cars & boats for customers
- Duties include detailing, taking customer details for hire, inspection of vehicles upon return, maintenance on hire cars including servicing, mechanical repairs & bodywork

### **Customer Service Team Member (CSTM) – Ocado Group – Liverpool, UK**

March 2022 – October 2022

- Delivering grocery orders in a Mercedes Sprinter LWB across North West UK
- Duties include delivery, customer service roles, daily safety checks, working efficiently

### **Design Draughtsperson – TSS Engineering Ltd – Southampton, UK**

February 2019 – June 2021

- Design of 3D CAD rendering & technical drawings of Aluminium Profile build solutions
- Duties include 3D CAD creation, manufacturing in workshop, & problem solving

## Interests

- Salvaging broken products to repair, involving drilling, soldering, and more
- Buying, fixing, & selling second hand cars
- Drawing, and arts and crafts
