

TeamPaso Unlocks Potential in Paso Robles Students Through Free Math Tutoring

Dear Neighbor,

As a Paso Robles friend, I hope you will agree that we want success for our kids.

Did you know that 84% of Paso Robles students are 2 to 5 years behind in math?

“Paso Robles Joint Unified School District (PRJUSD) is taking immediate action to meet this need,” Jennifer Loftus, Superintendent of PRJUSD.

At TeamPaso, we believe in the power of community. **Your support is essential** as we partner with the Paso Robles Unified School District and MATHNASIUM®, a global leader in math tutoring.

We believe that every student deserves the opportunity to succeed. That’s why we offer free after-school math tutoring services designed to help all students excel in school and gain the confidence and skills needed to secure high-demand jobs in fields such as finance, agriculture, healthcare, engineering, building, and technology.

We can’t do it alone.

Your support can bridge the gap between their reality and dreams.

Imagine being the key to unlocking their potential. A donation of \$50 - \$250 or more can help fund personalized tutoring for a student in need. Every dollar you contribute helps us connect passionate tutors with students struggling in math, provide cutting-edge learning tools, and ensure that no student is turned away due to financial hardship. **The TeamPaso program is entirely free for students and their parents.**

When **you** donate, you’re investing in the futures of all of our Paso Robles students.

Here's how you can help:
 - Online: www.TeamPaso.org
 - Mail: Include your check in the enclosed envelope

Together, we can break down barriers, bridge the opportunity gap, and empower next generations to achieve their potential. **Join us in changing lives, one math lesson at a time. Donate today.**

With gratitude,

Orlando Gallegos

Executive Director of TeamPaso

Great work!
