

FUTURE PROOFING

colorist: brookelynn roese-cabrera

F18 Merrell

ADOBE

◆ This warm rusted tones has a rich saturated quality. Our continued fascination with all things natural make this hue very relevant.

ADOBE
17-1340 TPX

wanted to make sure to incorporate adobe since it was an important call out

brown and white (now merrell taupe) with yellow at the center

marled stripe to mimic stone
