

NHI Medical can help you change the way you look and feel!

NHI MEDICAL

You can look your best

with our surgeons, Dr. William Rassman, Dr. Jae Pak, and Dr. Farhad Ardeshirpour. Hair transplant surgery can give you a lifelong non-balding frame to your face. Non-surgical Scalp MicroPigmentation (SMP) can create a permanent five o'clock shadow to bring back your hairline or give you the look of a full head of hair.

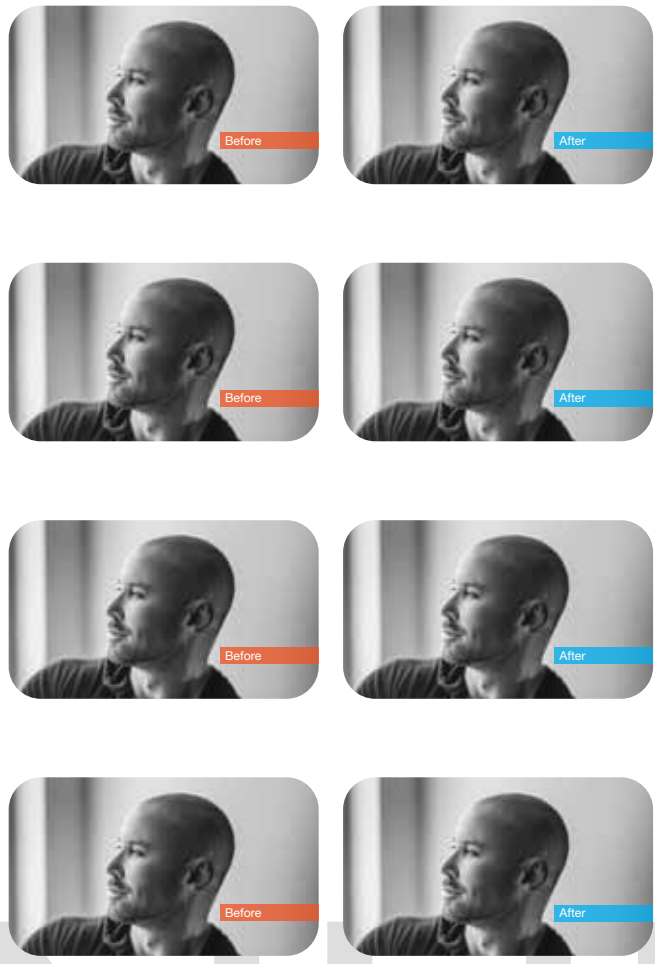

we offer:

- Follicular Unit Excision (FUE)
- Follicular Unit Transplant (FUT)
- Scalp MicroPigmentation (SMP)
- Hairline Lowering/ Forehead Reduction
- Eyebrow Transplant
- Beard Transplant
- Propecia Consultations and Prescriptions

Our doctors are artists, innovators, and inventors with top 5-Star reviews. Patients from all over the world travel to our Los Angeles and Irvine offices. We offer a VIP Travel Program Discount for our out of town patients.

"The day of the procedure the entire team was so supportive and settling. The facility is by far the best I've ever seen."

-LeoTheMan, November, 2018

NHI Medical is proud to welcome Dr. Farhad Ardeshirpour of Ardesht Facial Plastic Surgery to our practice.

In addition to hair transplant and forehead reduction/hairline lowering surgery, Dr. Ardesht is board certified in both Facial Plastic and Reconstructive Surgery as well as Head and Neck Surgery. He specializes in the most complex cosmetic and reconstructive surgeries of the face and neck.

Below is a sampling of the many procedures and services offered by Ardesht Facial Plastic Surgery:

- Forehead Reduction/Hairline Lowering
- Mole Removal
- Botox
- Fillers
- Liquid Rhinoplasty with Filler and Botox
- Jawline Definition/Contouring
- Scarring or Holes in Face due to Skin Cancer Removal
- Eyelid Lift
- Brow Lift
- Facelift
- Total Solution for Rejuvenation for the Neck Up
