IOLITE LED

1", 2" & 4" Modular LED Downlights

Nora/NSpec Lighting introduces Iolite LED, the new 1" downlight and 2" and 4" adjustable. The die-cast aluminum trims come in square and round designs in a variety of finishes. Aimed down for general lighting or adjusted to highlight or wall wash a focal point, the Iolite modular system allows users to field change the beam spread without the use of tools. The Iolite LED module produces 600-800 lumens at 95 CRI in various kelvin temperatures. The Iolite family comes in IC new construction, remodel, and 4" retrofit.
