

Clean geometric light lines create architectural lighting elegance

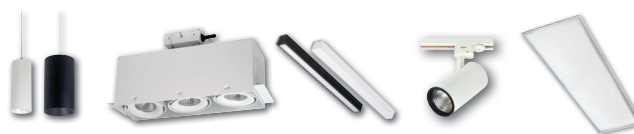

Designing Cylinder, Linear and Square fixtures to build the space to spec

Let Nora/Nspec Lighting be your single source for indoor LED lighting in retail, commercial and hospitality applications. From general broad illumination to dramatic accents, high ceilings to coves, counters, shelving and everything in between, Nora/Nspec has the energy-efficient, cost effective and stylish products you need for reliable, consistent lighting performance. Products include LED Multiples, in flanged and trimless styles, which provide up to three adjustable LED modules in a single opening, the new iLENE LED Mini Cylinder Pendants, line voltage LED Bravo Frost Lightbar in five lengths, LED Edge-lit flat Panels, and Jason Cylindric LED Track Heads.

Nora/Nspec Lighting... big enough to do it right, small enough to care.
